PORT SECURITY CERTIFICATE

Having regard to the provisions of the Port Security Act, Regulation (EC) no. 725/2004 of the European Parliament and of the Council of 31 March 2004 on enhancing ship and port facility security (OJ L 129), Chapter XI-2 of the SOLAS Convention and the International Ship and Port Facility Security Code (ISPS Code), this is to certify as follows for company and port facility:

Delta Container Services B.V.

Rotterdam Container Terminals B.V.

IMO Port Facility Number

NLRTM-0513 + NLRTM-0070

PSO reference number

61-1 + 61-2

1. A security assessment has been carried out for the above port facility in accordance with the provisions of the Port Security Act;
2. On the basis of the security assessment for the above port facility, a security plan has been prepared in accordance with the provisions of Chapter XI-2 of the SOLAS Convention, part A of the ISPS Code and the paragraphs of part B of the ISPS Code specified in article 3, fifth paragraph, of EU Regulation 725/2004;
3. The review of the security plan has shown that the port facility meets the applicable requirements of the provisions referred to in (2);
4. Therefore in accordance with article 6, first paragraph, of the Port Security Act the security plan of the abovementioned port facility is approved; and
5. This certificate is granted to the abovementioned port facility as proof of approval.

This certificate is issued on 16-9-2016 in Rotterdam and is valid in combination with the letter number HBR-1276036 accompanying this certificate. This certificate is valid up to and including 7-5-2021.

For the Mayor of Rotterdam,

The Port Security Officer,

(signed)

R.J. de Vries
